SERVICES TO BE PROVIDED BY LIBERTY

- ◆ Use of accountancy processing by you, the Licensee, for a particular Business Entity is subject to the existence of a valid service key for that Business Entity. Such service keys will be granted either by Liberty Accounts or a Partner Accounting Organisation subject to a supplementary agreement for a supply of services being entered into at the time of setting up each Business Entity.
- ◆ Technical support for the use of Liberty Accounts is provided by e-mail to a single point of contact in the Licensee organisation. Athene will not provide accounting advice or accounting instructions. These questions must be directed to a suitably qualified accountant.
- ◆ Athene agrees to make the Liberty Accounts System available for the valid access by a user to his Business Entity(ies). The service will from time to time require system shut down time to allow for maintenance, improvements and upgrades. Liberty Accounts will keep these periods to a minimum and where practicable will perform them overnight. Notification of a shutdown will be sent by system message and where possible at least 24 hours notice will be given.

TERMINATION

Either party may terminate this agreement at any time by serving the other three months notice to that effect at the end of which the user will no longer be able to use the Service or the System. It will be the responsibility of you, the Licensee, to ensure that any necessary records are extracted from the System during the three months period.

This agreement can be terminated immediately by Athene in the event of any breach by the user of the General Licence Terms.

In the event of this agreement being terminated the user shall immediately pay all arrears of payments due under the supplementary business entity agreements either to Athene or the Partner Accounting Organisation.

FORCE MAJURE

Both parties shall be released from their respective obligations in the event of national emergency war prohibitive government regulation or if any other cause beyond the reasonable control of the parties or either of them renders the performance of this agreement impossible whereupon all money due under the supplementary business entity agreements either to Athene or the Partner Accounting Organisation shall be paid.

DATE OF AGREEMENT

The 'Date' of this Agreement, as used herein and in all previous and subsequent sections, shall be the day that Licensor accepts the agreement on sign up.

Athene reserves the right to amend the terms of this agreement by giving at least one months notice of changes by system message.

GOVERNING LAW

This Agreement is governed by the Laws of the England and Wales.

OTHER

If any part of this Agreement is found void and unenforceable, it will not affect the validity of the balance of the Agreement, which shall remain valid and enforceable according to its terms.
